Lauderdale Lakes Turkey Drive A Great Success

(LAUDERDALE LAKES, Florida) — On Thursday, November 21, the City of Lauderdale Lakes held its Annual Turkey Drive in the New Community Resource Center. Representatives from the City of Lauderdale Lakes along with non profit organizations assisted more than 100 families throughout the community.

There was a special guest appearance from the City's mascot who was on hand to assist City Officials and staff with distributing care packages filled with a hearty meal. The residents enjoyed the mascot's delightful smile and the warm welcome exemplifying the City's commitment to meeting the needs of the community.

Mayor Russell said, "It gives me great pleasure to have the opportunity to be a part of servicing our residents by providing meals during the Thanksgiving holiday because it is the one holiday that is used to give thanks by sharing a meal."

This is just one of the several events scheduled in the City of Lauderdale Lakes during the Holiday Season. Please be sure to check the website www.lauderdalelakes.org for upcoming events in the City.
