LAUDERDALE LAKES

Residential/Condominium Bulk Collection Requirements

PLEASE ADHERE TO THE FOLLOWING COLLECTION RULES:

- A. Bulk Waste is to be placed not more than five (5) feet from the curb or roadway in front of your residence.
- B. All yard or horticulture waste must be placed in your cart or properly tied and bundled in lengths not exceeding four (4) feet in length, four (4) inches in diameter or forty (40) lbs. in weight.
- C. Bulk waste must be of a size and configuration that two men can reasonably pick up and collect safely.
- D. Refrigerators or items containing freon require a special pickup separate from regular collection.
- E. Bulk and yard waste collection is for normal residential activities, not commercial disposal. Bulk waste or trash generated by commercial businesses or nurseries is not allowed to be placed on the curb for residential collection service.
- F. All glass items/materials must be placed in a sturdy rigid container for safe collection. Do not place glass items in with your regular bulk items. Instead, place the glass items adjacent to the bulk items to facilitate separate handling.

Bulk Trash Accepted

- 1. Household Goods - Appliances, furniture, mattresses, toys, carpets (bundled and tied in correct lengths and weight), and other items normally found in the household.
- 2. Incidental Debris from self-home improvement projects is permitted.
- 3. Only Resident generated repair debris materials will be collected.
- 4. Horticulture Waste - Trimmings from bushes, shrubs, and branches as described in "B" above.
- 5. "White Goods" such as washers & dryers.

Condominiums may place their bulk discards as they have in the past: adjacent to Trash enclosures or adjacent to trash rooms.
