

You're invited to enter the **Lauderdale Lakes** **2023 RECYCLING** **POSTER CONTEST**

THEME: MAKE EARTH DAY EVERY DAY!

Our activities impact one another, our planet, and future generations. That's why millions of Americans took to the streets in cities across the country on April 22, 1970, and launched the world's first Earth Day, a day of action to protect the environment. Simple actions applied daily can go a long way in building thriving, sustainable communities, so let's Make Every Day Earth Day!

WHO MAY ENTER

Any student, grades K-5, who lives or attends school in Lauderdale Lakes may enter. One entry per student.
